Loppers

Pruning trees & bushes.

Spare parts available,
please see page 11.

P-SL Lightweight loppers

Product code	EAN Code	Box qty	Cut cap mm	Length cm	Weight g
P-SL-60	8241629	2	30	60	864

- Precision lightweight loppers for intensive pruning of bushes and small trees
- Professional blade with slim design to prune where access is limited
- Forged counter blade for extra strength
- In-tube assembled blade and counter blade for easy maintenance
- Lightweight aluminium handles and soft buffers for added comfort

- Strong bypass blades ensure a clean cut in green wood
- Plastic buffers for added comfort
- Ideal for pruning shrubs and bushes
- Xylan coated blade for rust protection and easy cutting

P145 Bypass lopper

Product code	EAN Code	Box qty	Cut cap mm	Length cm	Weight g
P145	8151980	2	35	80	1400

- Universal anvil lopper for clearing out old, tough wood
- Professional blade quality gives superior cut
- Xylan coated blade for rust protection and easy cutting

P174 Anvil lopper

Product code	EAN Code	Box qty	Cut cap mm	Length cm	Weight g
P174	8032500	2	30	99	1090

- Small bypass lopper with a compact design to prune in confined spaces
- Plastic buffers for added comfort
- Smaller blades for pruning ornamental shrubs and rose bushes

PG-20 Bypass lopper

Product code	EAN Code	Box qty	Cut cap mm	Length cm	Weight g
PG-20	8255312	2	30	45	675
PG-20-60	8275402	2	30	60	790

Hedge shears

Trimming & shaping hedges.

Spare parts available,
please see page 11.

P53-SL Lightweight hedge shears

Product code	EAN Code	Box qty	Cut cap mm	Length cm	Weight g
P53-SL-25	8265014	2	5	65	850

- Lightweight hedge shears with long aluminium handles for extra reach
- Slim straight 25 cm long blades give a clean cut
- Shock absorbing buffers for maximum comfort
- Ideal for pruning hedges and for topiary work

- Stamped and fully hardened blade for durability
- Plastic buffers for added comfort

PG-51 Universal hedge shears

Product code	EAN Code	Box qty	Cut cap mm	Length cm	Weight g
PG-51	8275457	5	5	51	756

Spare parts
available, please
see page 11.

- Varnished, wooden handles
- Stamped and fully hardened blade for durability
- Straight blade and partly serrated edge to cut branches up to 10 mm
- Shock absorbing buffers for maximum comfort

P57 Traditional hedge shears

Product code	EAN Code	Box qty	Cut cap mm	Length cm	Weight g
P57-25	8030933	4	10	54	998

Pruning saws

Sawing medium sized branches.

- Folding pruning saw with non slip soft grip handle and secure locking button
- Special JS toothing for a fast cut in soft or green wood
- Hard point teeth for long lasting sharpness

396-JS Professional folding pruning saw

Product code	EAN Code	Box qty	Length cm	Weight g
396-JS	8223250	4	19.8	190

- Professional pruning saw with 24 cm (9 1/2") blade for intensive sawing
- Patented non-fatigue two component comfort handle with non slip soft grip
- Extremely sharp and aggressive patented toothing for a fast cut in fresh wood
- Straight teeth for a perfectly clean cut

5124-JS Professional pruning saw

Product code	EAN Code	Box qty	Length cm	Weight g
5124-JS	8216009	5	24	210

- Anti-friction coating on the blade makes cutting easier
- XT toothing for a fast cut
- Hard point teeth for long lasting sharpness

PG-72 Folding pruning saw

Product code	EAN Code	Box qty	Length cm	Weight g
PG-72	8242534	4	19.8	190

- Pruning saw for DIY and hobby purposes
- Lightweight plastic handle with knuckle protector
- Narrow nose on blade for easy reach
- Toothing designed for aggressive cut on pullstroke

Fileable

349 Universal pruning saw

Product code	EAN Code	Box qty	Length cm	Weight g
349	8018924	4	30	180

Grass shears

7

Cutting grass edges.

GS-180 Grass shear

Product code	EAN Code	Box qty	Length cm	Weight g
GS-180	8266448	6	39	320

- Easily adjustable 180° rotating head for many uses
- Self grinding stainless steel blades for excellent cut
- Soft touch and non slip grip for maximum comfort
- Protective finger loop

- Self grinding stainless steel blades for excellent cut
- Shock resistant plastic handle

GS-80 Grass shear

Product code	EAN Code	Box qty	Length cm	Weight g
GS-80	8275501	6	35	320

- Shears with 3 blade positions for various applications
- Self grinding stainless steel blades for excellent cut
- Lever action for a reduced effort

GS-76 Grass shear

Product code	EAN Code	Box qty	Length cm	Weight g
GS-76	8010782	6	36	430

- Long handles to prevent stooping and back ache
- Xylan coated blades for rust protection and easy cutting
- Stamped and fully hardened blades for long life

P75 Edge shears

Product code	EAN Code	Box qty	Length cm	Weight g
P75	8124083	1	99	1090

Knives & scissors

Multipurpose gardening tools.

- Ideal scissors for handicrafts, flower arrangement etc
- Soft touch / non slip grip
- Serrated stainless steel blades for a clean sharp cut

Handicraft scissors

Product code	EAN Code 731151+	Box qty	Length cm	Weight g
FS-8	8266462	10	16.6	54
FS-7.5	8266479	10	19.8	113
FS-5	8266455	10	12.6	31

- Strong retractable blade
- Auto-locking blade mechanism
- Non slip, soft touch grip

PG-62 Multipurpose knife

Product code	EAN Code 731151+	Box qty	Blade length cm	Length cm	Weight g
PG-62	8275471	5	6.5	24	83

- Stainless steel blade ideal for general use
- Very flat design to slip into your pocket

K-AP-1 Gardener's knife

Product code	EAN Code 731151+	Box qty	Blade length cm	Length cm	Weight g
K-AP-1	8030117	10	7	17.8	85

- Tungsten carbide edges for re-sharpening of all cutting blades
- Comfortable two component handle

Tungsten carbide sharpener

Product code	EAN Code 731151+	Box qty	Length cm	Weight g
SHARP-X	8264895	10	10	25

Top pruner and pole

Pruning & sawing high branches.

- Aluminium pole for work in difficult-to-reach areas high above the ground
- Delivered with a bolt and wing nut for mounting tools
- Fits all Bahco top pruners and all pole pruning saws

Pole 3M

Product code	EAN Code	Box qty	Length m	Weight g
AP-3M	8152062	1	2-3.8	910

- Pruning saw for either hand-held use or on extension poles (25 mm diameter)
- Special Hard Point fleam toothing is very efficient on pullstroke sawing
- Fits all poles: AP-2.7M, AP-3M, AP-5M and FP-3M
- Ideal for orchard, forestry and landscape pruning work

Hand/pole saw 339-6T

Product code	EAN Code	Box qty	Length cm	Weight g
339-6T	8128371	4	360	250

Spare parts available, please see page 11.

- Fully hardened blade for long life
- Counterblade with sap groove prevents clogging
- Fits 25 mm diameter extensions poles

Top pruner

Product code	EAN Code	Box qty	Cut cap mm	Weight g
P34-27A	8002770	2	30	610

Bow saws & axes

Cutting wood & large branches.

- Professional bowsaw for all-round use
- Pointed nose gives better access in confined spaces

Bowsaws

Product code	EAN Code 731151+	Box qty	Length cm	Weight g
